

## Declaration of conformity

## Manufacturer:

SIA EIROPLASTS

Granita street 32/6, Acone, Salaspils counties, Latvia, LV-2119.

## Object of declaration:

EUROPLAST – Insulation material for air ducts and fittings with a circular cross-section:

IMF-SD, IMF-BFS, IMF-TCPS, IMF-ESS, IMF-NF, IMF-NPS, IMF-RCLS

## The object of declaration:

Regulation (EU) No 305/2011 (CPR) laying down harmonised conditions for the marketing of construction products;

Regulation (EC) No 1272/2008 (CLP) on classification, labelling and packaging of substances and mixtures, where applicable to substances and mixtures used in the declared product;

Regulation (EC) No 1907/2006 (REACH) concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals. The declared product, as an article, complies with the applicable requirements of the REACH Regulation.

Essential characteristics for insulation material	Performance	Testing standard
Thermal conductivity	-10°C - 0,034 W/(m × K) 0°C - 0,036 W/(m × K) 20°C - 0,037 W/(m × K) 40°C - 0,041 W/(m × K)	EN 12667
Reaction to fire	B-s3,d0	EN 13501-1
Vapor permeability	MU (μ) ≥7000	EN ISO 10456

The manufacturer is certified according to the following standards:

LVS EN ISO 9001 / 14001 / 27001 / 45001 / 50001

Acone, 30.06.2026.
